

A high-contrast, black and white graphic design. The word "CAPITAL" is rendered in a bold, stylized, sans-serif font, with the letters appearing to be cut out of a solid black background. The text is positioned horizontally across the middle of the image. Above the text, there is a large, irregular black shape that resembles a stylized letter 'L' or a corner. Below the text, there is a large, solid black rectangular block. To the left and right of this central block are two smaller, black, triangular shapes pointing outwards. The overall composition is abstract and geometric.

CAPITAL
